Link to SEN Matrix:	All Profile descriptors C, D, E
----------------------------	---------------------------------

Service aims:	Through the application of psychology, educational psychologists support the learning and development of children and young people, within their schools, their families and other learning environments.
----------------------	---

To access the support:	Referrals through School SENCO to Thompson House supported by current and reviewed IEPs and Pupil Information Record.
-------------------------------	---

Method of support:	<p>We offer help through:</p> <ul style="list-style-type: none">• Advice to parents, carers, schools and other professionals.• Assessment: we may work with your child and adults to obtain information. This may involve testing, discussing concerns or observing in different situations.• Support: we may work further with your child and other adults, e.g.: support towards devising Individual Education Plans, monitoring progress, counselling.• Training: we may offer training to school staff and parents/carers to support children with special educational needs.
