Service aims:	The Family Resources Team aims to provide services which prevent children from entering the looked after system. The team promote positive communication between family members, identify skills and try to improve confidence through working individually, or in pairs to listen to families who are experiencing difficulties at home.
To access the support:	Currently receive referrals from Children's Services Social Care teams such as Referral and Assessment, Children and Families Community Team, 16 plus Team and the Children's Disability Team. A basic assessment of need will be carried out in order to provide the best possible service to suit the families' needs or for advice or signposting on.
Method of support:	Support is provided in the form of: <ul style="list-style-type: none">- Family support – 6 – 8 weekly 1 hr sessions- Early years outreach- One to one sessions for 7 – 16 year olds.
More Info available:	More information is available through the IW Council A-Z – Family Resource Service – view website
