<b>Opening Times:</b>	Community based project- 9-5pm Monday – Thursday Friday 9.00– 4.30pm

<b>Service aims:</b>	Get Sorted offer a holistic needs-led service for young people and their families/carers affected by substance misuse. We also offer advice and training to other agencies working with young people.
<b>To access the support:</b>	The young person or the parent/carer affected need to Phone 617660 or someone can phone on their behalf to make a referral e.g. Connexions advisor, social worker etc. Referrals will be responded to within 48 hours.
<b>Method of support:</b>	Get Sorted offer friendly, safe confidential up-to-date advice on drugs/alcohol use, screening/assessment and outreach support. A substance misuse worker will carry out an assessment to see how substance misuse is affecting the young person's life. Together an action plan is drawn up to support those areas that have been identified. It could include education, training or employment, physical and mental well being, home life, relationships as well as substance use/misuse. The worker will meet the young person wherever suits them.
