----------------------	---

To access the support:	Please contact the LACES team for further information.
-------------------------------	--

Method of support:	LACES provide support, advice, information and training to Social Workers, Designated Teachers and Parents/Carers. The team also provide a variety of support to children and young people looked after in a range of settings such as, school, home, the community or at LACES. LACES have a drop-in centre where young people are able to take part in activities and receive support with homework and learning. It is open Monday to Thursday 3.30pm – 5.00pm. Activities are also provided during school holidays.
